## Coming Home to a Place We've Never Been Before

I'm dating myself by this memory—but I recall very well these lines from John Denver's Colorado Rocky Mountain High about a young man who "came home to a place he'd never been before." In the context of that song, the line means something about going to a place you've never been and discovering that it feels like home.

We may experience this line in the opposite way soon. As the pandemic ebbs and we are able to worship in our sanctuary we may discover that we have come "home" only to discover that it is a place we have never been. We have never been in this place as a congregation. We've never been a church that has survived a pandemic. We've never been a church discerning God's call to reach out and help our community heal from the scars of a global pandemic and a year of bruising political dissension and upheaval. We've never been a church that learned new technology at lightning speed in order to stay connected during quarantine. The sanctuary is the same: it is our beautiful and sacred space—but we are in a place that we have never been before as a congregation. The sanctuary will embrace our return--but in many ways we can never go back to where we were when we last worshipped there together in early March of 2020. We will celebrate being there together... and we will pray for wisdom as we search for new ways of being faithful in this new post-pandemic place that we find ourselves.

At its April 28 meeting, the Session will consider a recommendation to begin in person worship in the sanctuary on the first Sunday of June, (the 6<sup>th</sup>). Soon after that, we will publicize plans via our church website, social media, e-newsletter, and a letter to our mailing list. God will be with us as we celebrate being both home and in a new place.

## Presbyterian Disaster Assistance

The One Great Hour Special Offering is collected on Easter/Palm Sunday. The funds donated from the congregation for this offering are given 100% to Presbytery. Those funds are divided to support three major ministry areas, 36% Hunger, 32% Disaster, and 32% Self Development

From the start of the pandemic through the end of 2020, the Presbyterian Disaster Assistance response program gave 476 grants totaling \$3,469,619.28 to 56 countries and 125 Presbyterian mid-councils supported in the US. Because of the church's historic generosity and One Great Hour of Sharing, \$2.7 million from reserves was able to be pulled to respond to COVID19. Presbyterian Disaster Assistance facilitated an additional \$300,000 for Matthew 25 Continuity of Ministry Grants of up to \$7,500 each for congregations whose survival might have been in question due to the impact of COVID19. Some of the grants supported Native American communities including the Dakota Presbytery, Navajo Nation and the Wind River Reservation. 2020 also saw record numbers of wildfires, and PDA was able to provide support. In total, PDA was able to provide support of more than \$6.5 million.

During the month of November, Guatemala, Honduras, and Nicaragua were struck by back to back hurricanes resulting in flooding and the loss of housing and food. In Guatemala alone, PDA's support included providing food to about 1,560 people, garden seeds to 144 families, and hygiene kits to 1,090 people. Grants were distributed to countries in Africa, including Nigeria, where 500 water sanitation and hygiene kits were distributed, along with water storage and hand-washing stations. In South Sudan mosquito nets, face masks, sleeping mats, plastic sheets for shelter, rubber ropes, blankets and kitchen essentials were distributed to 55 households after flooding and 1,500 hygiene kits were also given out to households in need. After the Beirut explosion material relief for rebuilding was provided, food and hygiene support for 150 refugee families from Palestine and Syria were also given to Lebanon, as well as 1,500 hygiene kits. In Nepal PDA distributed gloves, masks and hand sanitizers as well as provided education around pandemic preventive measures and psychosocial support.

As of April 9 CPC has donated \$2837.00. Fish banks are being collected and added to these funds. The Mission Interpretation Commission thanks the CPC congregation for all your support of Presbyterian Disaster Assistance ministries.

## Session Approves Summer Sabbatical for Pastor Karen Sapiro

At its March meeting, Session approved an 8 week sabbatical for Pastor Sapiro from June 28 - August 23. Pastor Karen's last sabbatical was during the summer of 2014. She plans to spend the time doing some writing projects, and visiting family she has not seen since the beginning of the pandemic. She is working with Pastor Brian, staff, and Session to ensure continuity of worship and administrative leadership during her time away.

## PC(USA) Special Offerings - Pentecost

Our next special offering will be the Pentecost offering, which is collected during the weeks around Pentecost (Sunday, May 23, 2021). This offering goes to support young people and inspire them to share their faith, ideas, and unique gifts with the church and the world.

While much of our special offering collections are split between the denomination and the presbytery, the Pentecost offering allows for 40% of the collection to stay with the congregation.

This year the Education & Leadership Commission has decided to designate our portion to go to the Immigrant Accompaniment Organizing ministry of the Presbytery and specifically to support the work with unaccompanied minors. To find out more about this ministry go to: [sangabpres.org/immigrant-accompaniment-organizer](http://sangabpres.org/immigrant-accompaniment-organizer). We encourage you to give generously and with an open heart.

## Session Highlights, March 24, 2021

## Adult Ed Addressing Christian Nationalism

You are invited to join us for two conversations about Christian Nationalism and Polarization & Peacemaking. These issues have played out in our communities and within our political agendas for years now and seem to keep building traction. Why? How? What is our role as a people of faith offering a progressive and inclusive Gospel message? And, how do we keep from getting sucked into combative rhetoric and instead be peacemakers?

Part 1, May 10 - Christian Nationalism co-facilitated by

Dr. Brad Starr and Prof. Jim Butler

Part 2, May 24 - Polarization & Peacemaking co-facilitated by Rev. Brian Gaeta-Symonds and a local guest Pastor

Both of these gatherings will be at 7:00 PM on Zoom - ID: 863-7081-6440 Passcode 957217.

For more information please check out [claremontpres.org/events](http://claremontpres.org/events) or inquire with the church office at 909-624-9693.

## Staycation Bible School

Join us from June 27-August 1 this year for Treasured! A Group Vacation Bible School experience.

*"Embark on an epic quest through hidden ruins, ancient caves, and dense jungles. At Treasured VBS, kids dig into action-packed, faith-filled adventures. They'll discover God's greatest treasure isn't diamonds, gems, or gold—it's them!"*

*-Group*

As things open up across the country more and more, we are going to try something like last year with a little bit of in-person activity.

First, we will have an in-person opening activity on Sunday, June 27 at 5:00 PM at the church on the big lawn.

Then our gatherings will be online Sundays and Wednesdays at 12 noon.

Finally, we will have an in-person closing activity on Sunday, August 1 at 5:00 PM at the church on the big lawn.

When registration opens we ask families to register their children as the number of spots is limited to 50. Also, families will need to provide a home address so the church can deliver weekly materials boxes to the children.

For more info, contact Pastor Brian at [brian@claremontpres.org](mailto:brian@claremontpres.org) or 562-674-8407.

## All-Church Campout

Hey there Campers! Do you like camping, BBQ, hiking, games, movies outdoors, bonfires, and all things nature? Then join us for the All-Church Campout on June 4-6 at the Serrano Campground in Big Bear. Suggested fee: \$50 per family (if assistance is needed, please contact Pastor Brian). Mail or drop-off payment at CPC.

With schools having just restarted in-person education, summer on the horizon, and national parks re-opening this is the time to take a moment to step away for a long weekend and go camping. The group sites have been re-served and planning is already underway for safe and fun camping practices. The last couple of years have posed some challenges for group camping and we've come up with some amazing alternatives, but now it is time to try it the traditional way. We will plan on leaving that Friday afternoon, staying 2 nights, and then returning home that Sunday morning. Register now by heading over to [claremontpres.org/events/all-church-camp-out-2021](http://claremontpres.org/events/all-church-camp-out-2021). Having a clearer picture of the number of campers will help us plan for food and other items. Any questions? You can reach Pastor Brian at 562-674-8407 or [brian@claremontpres.org](mailto:brian@claremontpres.org).

## Young People's Sunday, Graduate Recognition & Third Grade Bibles

Throughout 2020 and now 2021 our children and youth have taken on very present parts in leading worship. And, every year we take a particular Sunday near the end of the school year to invite the youth to lead in the majority of the worship service. The youth are an integral part of the life of our CPC community of faith and our Claremont community. Join us for this, and...

Calling all Graduates! If you are graduating from college, high school, promoting from middle school, elementary grade, or preschool please let Pastor Brian know.

At the same time we will also be gifting Bibles to those completing 3<sup>rd</sup> grade this year. If you are or know of a 3<sup>rd</sup> grader, please let Pastor Brian know as soon as possible. We would like to make sure all graduates and 3<sup>rd</sup> graders are recognized and honored with a gift.

All of this is being celebrated during the worship service on June 13.
